Behavioral Health Therapist

Las Clinicas Del Norte (LCDN), invites licensed LCSW's, LISW's OR LPCC'S to apply for Clinical Health positions Las Clinicas del Norte. We are open to applications from LMSW's, LMHC's, LMHC's, LPC's, and LMFT's with the understanding that applicants have 2-3 years of clinical supervision prior to testing for independent licensure.

LCDN is a qualified federally designated Frontier Community Health Center/Medically Underserved Area allowing providers to access both state and federal loan repayment programs. LCDN's mission is to provide culturally competent care to the underserved and medically indigent patients in a remote part of northern New Mexico. LCDN operates three community clinic sites in Abiquiu, Ojo Caliente, and El Rito, all strategically located to provide maximum access to the area's rural residents and School Based Health Centers in Pojoaque, Los Alamos and Los Alamos and Ojo Caliente, NM.

Daily Responsibilities

- Intake, diagnose, evaluate, develop treatment plan, and monitor progress for patients to include individuals, couples, families, and groups
- Establish working relationships with sponsoring, advisory, and related services agencies
- Promote organization by ensuring the understanding of program services available to clients
- Enforce rules, regulations and legal requirements with clients and document events of the therapeutic process
- Assist clients in obtaining services by initiating referrals to community agencies and resources
- Work hours: Four (10) hour work days or Five (8) hour work days

Qualifications

- Master's degree in Social Work or equivalent
- New Mexico LISW, LCSW, or LMSW license required
- Two to three years of experience in community-based behavioral health services
- Ability to work in/with a diverse multi-cultural population
- Demonstrate competence in preparing client documentation in accordance with generally accepted clinical standards
- Bilingual preferred

Background and reference checks required
